

## IICRC CERTIFIED FIRM

*"Dryfix has been accepted into the prestigious Institute of Inspection Cleaning and Restoration Certification"*

Dryfix Preservation Ltd are pleased to announce that they have achieved professional recognition in the specialist cleaning and restoration industry by becoming a certified firm with the **Institute of Inspection Cleaning and Restoration Certification (IICRC)**.

Our accreditation from the **IICRC** comes after nearly two years of continuous studying and training from our head surveyor Russell Rafton and other dryfix technicians on **IICRC** courses. Russell from Dryfix has set exemplary standards passing examinations with results 90% upwards. Tom Hill, **IICRC** Executive Administrator, States Russell Rafton has demonstrated the desire to provide customers with a thorough, professional, and caring service and now joins the ranks of the true professionals within the cleaning, restoration, and inspection industry.

The Institute of Inspection, Cleaning & Certification (**IICRC**) is the world's largest certification body for the flooring inspection, floor covering and specialised fabric cleaning and disaster restoration industry.

The **IICRC** is a non-profit standard-setting organization dedicated to raising industry standards through technical proficiency. By administering a strict process of certification, the **IICRC** provides a means by which consumers can receive the highest quality of service from trained, knowledgeable, professional technicians.

Following our certification Dryfix have pledged an advanced training programme and course of study ensuring the certification of all our on-site operators who are actively engaged in providing services to our customers in the cleaning and restoration industry. Dryfix have pledged their support in establishing and maintaining a professional attitude in the conduct of their daily work at all times and providing our customers with the highest degree of professionalism possible.

Congratulations and Well Done Dryfix!
